

Freelance Graphic Designer

News/Web publisher seeking freelance Graphic Designer for creation of aesthetically pleasing and persuasive ads, in both print-ready and Web-based formats, as well as multi-page advertorial products/brochures. Requires collaboration in a constructive and positive manner with multiple departments. Requires mastery of Adobe Creative Suite (especially InDesign, Photoshop, Illustrator, Acrobat, Bridge). Microsoft Office (especially PowerPoint). General computer technical knowledge, especially of Mac OS. Proven creative design ability a MUST. Experience, and the impressive portfolio of work to show for it. Contact Nancy Knight – nknight@bizjournals.com
